**CHILDREN ARE UNABLE  
TO RESCUE MOTHER**

[By Latest Mail]

 DAWSON (Y. T.)—On Christmas  
eve at Coal creek, about 50 miles  
north of Dawson, Mrs. Hanna was  
burned to death in bed. Her husband  
was absent at the time. Two small  
children, with their mother, were in  
the cabin. The children awoke and  
escaped in their night clothes. They  
were unable to arouse their mother.

 Perhaps the nude truth is a bare  
statement of facts.

**DE TREVILLE  
COMPLIMENTED  
BY THE CRITICS**

 Yvonne de Treville, prima donna,  
who will be heard in concerts in Ho-  
nolulu Jan. 31 and Feb. 5.

 Yvonne de Treville, who arrives  
here January 27 and will give two  
concerts in the Hawaiian Opera-  
house, has been more than usually  
favored by the critical European mu-  
sic lovers. It is considered an un-  
failing test by all operatic aspirants  
to achieve the praise of the contin-  
ental critics and Miss de Treville re-  
ceived her share in unstinted measure.

 Dr. Wilhelm Kienzel, a noted com-  
poser and critic, said the following of  
the American singer: "Yvonne de  
Treville is a prima donna of the high-  
est rank! In her vocal art, which re-  
calls the best epoch of the Italian  
virtuoso, everything is at the highest  
point of perfection. Add to this per-  
fect taste, a lovely warmth of inter-  
pretation that is rarely met with in  
a coloratura singer."

 From the Fremdenblatt, published  
in Austria, Vienna, where Miss de  
Treville made a notable appearance,  
the press wrote of her in the follow-  
ing complimentary terms:

 "Yvonne de Treville's voice shines  
in youthful splendor. Her art has  
attained its zenith. She is an artist  
in full possession of her powers,  
knowledge, youth and temperament,  
absolutely natural and absolutely  
spontaneous. She has been equally  
gifted with all nature's charms."

 "Her voice is of refreshing quality  
in all registers, full and flexible; the  
umbr permits of the fullest crescendo  
and melting pianissimo; the intona-  
tion is faultlessly pure, and the 2 1/2  
octave scales compel our admiration  
by their evenness. And, as de Tre-  
ville adds to these great gifts a mar-  
velous facility of execution, she is a  
perfect phenomenon among the sing-  
ers of our time."

 The dates for the concerts have  
been arranged for Saturday, January  
31, and Thursday, February 5.

**PEOPLE IN HONOLULU  
ARE AMAZED**

 No medicine has ever caused such  
amazement in Honolulu as the simple  
mixture of buckthorn bark, glycerine,  
etc. known as Adler-ka. This rem-  
edy drains such surprising amounts of  
foul matter from the body that it is  
known as the most thorough bowel  
cleanser sold. Adler-ka acts on  
BOTH the upper and lower bowel and  
JUST ONE DOSE relieves constipa-  
tion and gas on the stomach almost  
IMMEDIATELY. The Hollister Drug

Morning Music Club Recital.

 One of the most delightful affairs  
of the week was the monthly recital  
given by the Morning Music Club on  
Wednesday at the studio of Miss Mar-  
garet Clark, Punahou. Although it  
was a closed meeting, the attendance  
was large, everyone thoroughly appre-  
ciating the unusually fine program  
rendered. A quartet composed of  
Miss Alice Hopper, cello; Mrs. A. B.  
Ingalls, violin; Miss Elizabeth Hop-  
per, violin, and Mrs. E. A. Ross, vi-  
olin, opened with the first number. A  
piano solo by Miss Margaret Clark  
followed, after which came a violin  
solo by Mrs. E. A. Ross accompanied  
by Miss Gattfield, a four-har'ed piano  
selection rendered by Miss Gattfield,  
Mrs. Frank Atherton, Mrs. W. Ket-  
chum and Mrs. Kenneth Barnes, a  
song by Mrs. Theodore Richards, a

Mrs. Bartlett's Luncheon.

 A very charming luncheon was given  
by Mrs. Charles Bartlett on Wed-  
nesday at her home at Kahala. A  
pink color scheme was effectively car-  
ried out with huge pink carnations  
and tulips. After luncheon bridge oc-  
cupied the time, a lovely basket of  
ferns going to Miss Harriet Ballance  
as a prize. Among those present were  
Mrs. D. Appell, Mrs. Sarah Newcomb,  
Miss Harriet Ballance, Mrs. William  
MacDonald, Mrs. George Jemerson,  
Mrs. Tower, Mrs. G. F. Humbert and  
the hostess.

dance to be given next Saturday are

Low, Mrs. J. D. Stacker, Mrs. Pierre  
Jones and Mrs. A. E. Murphy. The af-  
fair will be held at the Outrigger  
Club and promises to be well attend-  
ed.

 Mr. and Mrs. Frederick J. Lowrey  
entertained at dinner on Friday night  
in honor of Mr. and Mrs. George  
Snowden of Portland. The affair was  
entirely informal, other guests being  
Mr. and Mrs. Sherwood Lowrey, Mr.  
Frederick D. Lowrey, Miss Beatrice  
Castle and Mr. Alan Lowrey.

paaloa announce the engagement of  
their daughter, Miss Lydia Mowry, to

is spending a few days in town as  
the guest of Mr. and Mrs. E. A. Douth-  
itt.

**THE PARABLES  
OF JESUS**

 Jesus was a master teacher. Every-  
one admits this, no matter what his  
theological beliefs may be or how  
much or how little of Deity he ascribes  
to Jesus. And in no part of His  
teaching does He show such a mas-  
terful insight into human life as in  
His parables.

 The Sunday morning Bible class  
conducted by the associate minister  
of Central Union church, Rev. A. A.  
Ebersole, in the Kilohana building,  
corner of Beretania and Miller streets,  
is making a study of this interesting  
body of teachings. It will be well  
worth the extra effort to get out an  
hour earlier to attend this class.

 Already 60 have enrolled, about an  
equal number of young men and young  
women. There is room for 100.

 The class is especially for young  
men and young women. All who feel  
that they can properly be called young  
are invited. No hard and fast age  
lines are drawn.

 Come Sunday morning. The class  
meets at 10 o'clock.

Buy a Lot in

# McInerny Park

McInerny Park offers a double investment. Here is a chance to secure a homesite or make a pile of money. Or do as many people are doing today: build a home in McInerny Park, live there and watch your holding increase in value.

Nowhere in Honolulu is there the same chance offered the small investor. The price of the land is low—within the reach of everyone. \$350 buys a lot 50 by 100 feet. And the payments are so easy—\$50 down and \$10 a month with interest at 6 per cent.

## As An Investment

When the Pearl Harbor Naval Station is opened a vast army of civil employes will seek homes in Honolulu. Each will want a location near his work.

McInerny Park is located at the desired point, on the town side of the Bishop Museum and nearer the mountains. It will be the place where most of these people will locate.

Apart from this fact the natural growth of Honolulu is in this direction. The tendency of the age is toward homes in the hills within convenient distance of the city.

## As A Homesite

ON THE SLOPES OF PALAMA HILL, overlooking the city, the bay and the far-away Waianae Mountains, is an ideal place for a home. Cool breezes blow gently throughout the day, making the air bracing and comfortable.

Above the tract is the Palama reservoir, filled with an abundant supply of pure artesian water. Below, within six minutes' walk, is the King street line of the Honolulu Rapid Transit Company. Convenient to the city, McInerny Park possesses all the delightful freshness of a suburban site.

For the children there are the schools of Kaimulani, Kamehameha and Kaliahiwaena within easy walking distance.

The land is gently sloping. Natural drainage insures perfect sanitation.
